In the present case, though the pudwat amount (Rs 125/-) had been originally deposited by the donor himself with a private person ~~Dasa~~ on condition of his supplying every year 4½ maunds of oil, yet the money has since been returned to the temple and is now in the Govt. Narasappa is the son of the donor and so his offer may be preferrable ~~preferred~~, but the Dy Comr says that the securities offered by him are situated outside his district and consequently very inconvenient for regular inspection. The Dy Com.

Office of the Deputy Commissioner
Shimoga District.
Dated Shimoga, 7th January 1913.

From

K. Srinivasa Row, Esquire,
Deputy Commissioner,
Shimoga District.

To

K.R. Srinivasa Iyengar, Esquire, M.A.,
Offg. Secretary to the Government
of Mysore, Muzrai Department.

Sir,

In forwarding herewith the file of vernacular papers ending with the Shimoga Sub Division Officer's Yadi No. 929 dated 25-5-1912 regarding the pudvat amount of Rs. 105 deposited in favour of Sri Lakshminarasimha Devaru temple at Benkipur, by one Narasappa of Ajjampur, I have the honour to state that the amount was originally deposited by the said Narasappa with one Chandappa of Benkipur subject to the condition of supplying 15 seers of oil per month for a nandadipa in the temple. On the death of Chandappa the full amount was returned by his widow Basamma on 21-8-1902 and was deposited in the Government Savings Bank.

2. The interest of Rs. 3-14-6 realised from the investment having been found to be utterly inadequate for maintaining a nandadipa, the Amildar of Shimoga Taluk proposed in his ittilla of 12-7-1907 that the amount might be lent to one Thimmayya of Benkipur who agreed to supply 3 maunds of oil every year for maintaining a nandadipa in the temple and offered sufficient landed and personal security for the amount loaned to him.

3. On a perusal of the record received with the Shimoga Sub Division Officer's Yadi No. 1017 dated 23-7-07,

the

the then Deputy Commissioner Mr. M. Narain Rao, in his order of 9-1-1908 declined to sanction the Amildar's proposal, and directed that if the donor was alive his wishes might be ascertained in the matter of carrying on some service in the temple with the annual income of Rs. 3-14-0.

4. Narasappa, the son of the Original donor, in his statements of 3-1-1909 and 2-9-1910 before the Shekdar of Sivane Hobli, has stated that he is prepared to supply 3 maunds of oil or pay an interest of 12% per annum if the amount is lent to him and it is stated that the security offered by him is sound.

5. The timely recovery of interest or the regular supply of oil and the regular inspection of the properties offered by Narasappa as security cannot be conveniently undertaken, as the said properties are situated outside this District.

6. As with the present income of the temple from the Inam lands endowed to it, the Maintenance of a nandadipa is not possible, it seems desirable, in deference to the wishes of the devotees of the institution to accept the offer of Thimmayya referred to in para 2 Supra.

7. As my predecessor in office has, however taken a different view of the case I have submitted the connected papers for such orders as Government may deem fit to pass in the matter.

I have the honour to be,

Sir,

Your most obedient servant,

Treasury Assistant Commissioner,

For Deputy Commissioner,

Sir,

With reference to your letter no. 218/Muz 66 dt 9-1-13 recommending that the purdwat deposit of Rs 125/- offered by one Narasappa of Ajjampur with the object of maintaining (from the interest thereon) a Nandadipa in the temple of Sri Lakshminarasimha Devaru at Benkipur may be

lent out to one Thimmaiya on condition of his supplying 3 mauns of oil every year for the maintenance of the Vaudadipa, I am directed to state that the investment of Temple ~~& chattram~~ funds in loans to private individuals is opposed to the principle laid down in Govt. Proceedgs No C 35-6 & 15-3-95 and No 1494-1502 & 27-3-1902 and that the loan in question can not therefore be sanctioned. The amount should remain in the Saving Bank and some service should be conducted in the temple out of the interest accruing thereon. Narasappa, the son of the original donor, may be required to name ~~done~~ a service (instead of the Vaudadipa) which could be conducted within the interest
